MYTH BUSTERS

Debunking Common Misconceptions

Don't believe everything you hear at school or online. Curiosity around substance use is normal, but make sure you're getting your information from reliable sources. RISE Drug Free MKE is here for you with information and resources on alcohol, marijuana, commercial tobacco, nicotine, prescription medication, and other drugs.

Our MythBusters theme aims to debunk common misconceptions about alcohol and other drugs with facts and statistics that come from substance prevention professionals.
